

Amsterdam, 15 April 2023

**Dear Prospective Corporate Sponsor,**

On November 15-16, 2023, the 22nd Smart Card Research & Advanced Application Conference ([CARDIS](#) 2023) will be held in Amsterdam, The Netherlands. CARDIS is more than 25 years old and has become the foremost international academic conference dedicated to research on smart cards and its applications but also covers topics such as embedded systems security and cryptography.

This year CARDIS will be organized by the University of Amsterdam, in Amsterdam. Currently, we are reaching out to potential corporate sponsors who may be interested in providing financial support. The CARDIS 2023 conference provides a forum for interested parties to come together to discuss, to network, and to plan ahead. The conference enables attendees to remain abreast on current research trends and enables corporate sponsors to market themselves and to scout out potential new employees for existing (or future) hiring opportunities. In recent years, CARDIS conference attendees came from across the globe from academia, industry and governments. This year the conference will offer *Silver*, *Gold*, and *Platinum Sponsorship Packages* as described below.

**Silver Sponsorship Package (1000 Euro+ VAT<sup>1</sup>): As a Silver Sponsor,**

- your company logo will be featured as a sponsor on the CARDIS 2023 website,
- your company will be acknowledged in the conference proceedings, and
- you will be offered an opportunity to include materials or gifts in registration packages.

**Gold Sponsorship Package (2500 Euro + VAT<sup>1</sup>): As a Gold Sponsor,**
